

Glass Fusing Fun Class

3 Hours of Fun!

Take a fun fusing class with local glass artist Lin McJunkin.

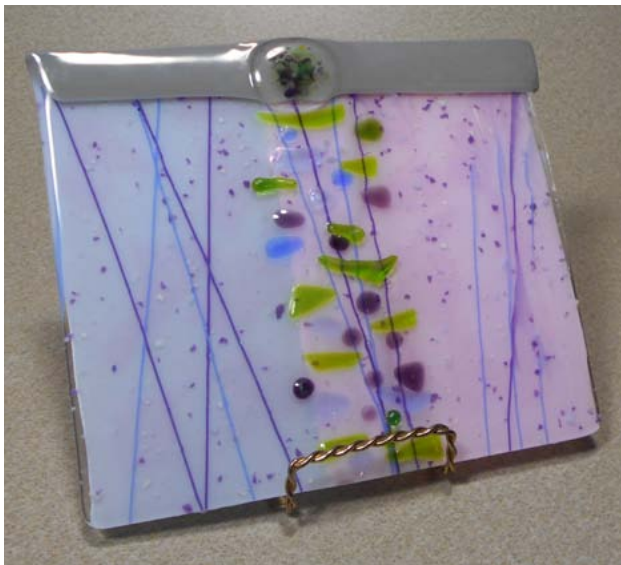

Each student will have a blank 10" square glass tile to decorate with glass stringer, confetti and frit. You will have a fun time, learn a lot, and complete a new project which Lin will fire in her studio kilns. Projects can be picked up the following week from the gallery.

This class is deal for groups of up to 6 people, including parties.

No experience is necessary for this class!

A simple materials list for items to be brought to the class will be provided upon registration.

Class fee includes all glass materials and firing.

Lin McJunkin, Presenter

Lin has worked in glass and taught glass classes for many years. Her work can be seen around Skagit County and at Trinky Busiu Gallery.

"As an artist and science educator, I focus the heat of my commitment, as well as that of my kilns and welding torches, to transform recycled metal and glass chunks into sculptural elements that advocate for the health of our planet and its inhabitants."
